**Subject:** H.B.7009

We are writing in support of H.B. 7009 An Act Concerning Electric and Zero-emission Vehicles because we believe incentives for electric vehicles drivers will help move Connecticut forward in many ways. It will spur the adoption of more electric vehicles, reduce our need to drill for and transport oil and gas, reduce air pollution and impact climate change by reducing greenhouse gas emissions. We urge you to support H.B. 7009.

Sincerely,

Jim and Willow Sirch
